Re: Monthly Updates for the Board of Education

Hello everyone,

Summer is winding down and I am looking forward to the campus being busy and filled with students again soon!

Paul Tannahill was invited to be a member of the Board of Directors for the Oregon Virtual Academy and was recently confirmed to this position. Paul was really excited about this when telling me about it. He had been helping them with some of the technical aspects of online learning and was then invited to be a Board member.

There was a good turnout at the opening of the Health Occupations Center. Classified staff, general public, etc. in attendance were all very impressed with the facility and how it will be able to serve our students. It will be really neat to see how the remaining buildings on campus and in Corvallis at the Benton Center look when they are done...lots of exciting things happening on the construction front for our students and staff.

The LBCC Foundation Golf Tournament was this past Friday and was a lot of fun. I played on a team with fellow Classified Judd Everts along with Management staff members Jess Jacobs and Steve Smith. We rounded out our team with my Dad who travelled from North Carolina to play with us. Quite a few current and former Classified volunteered at the tournament: Paulette Myers, Annette Easdale, Teresa Patterson, Linnea Everts, Debby Zeller, Linda Dompier, Lena Spencer, Lori Fluge-Brunker, Donna Mainord, and Ginger Peterson. The Foundation does such great work for our students and the Classified Association is very happy to show our support for them.

Thank you,

Kevin
