LIBRARY FINES ARE GONE!

The Library has waived all late fines from every student and employee account, even those that accrued prior to COVID-19 related closures. All LBCB Library checkouts currently have their due dates extended until June 12 or later. We are also working with our partner libraries to extend due dates for items that belong to other libraries (interlibrary loan items).

FIND SYLLABI FOR ONLINE COURSES ON COMMUNITYARCHIVE

If you're scrambling to put your class online, take a look at a syllabus from a colleague who has taught it online. You can search for course syllabi by course title, course number, or CRN. A big thank you to all of the Division Admins who work to make these syllabi so easy to find!

TELL YOUR STUDENTS

Students can now text the Student Help Desk with any student technology question. Our number for texts is 541-704-7001. We are here to help break down any technological barriers that get in the way of learning. We are happy to answers via text, phone call, email, or video call (Zoom).

3 ON THURSDAYS IS "T" TIME

The Library is hosting a trivia game on Thursday afternoons from 3:00-3:30. All you need is your computer or phone, a pen and paper. There will be fabulous prizes awarded for highest totals after the 5 week period. Lookout for an email later this week with more rules, prizes, this week's theme, and link to the zoom meeting. Because maintaining good humour and socializing (remotely) is non-trivial ...

TECH TIP

Microsoft Office Lens
