Office Hours: Monday thru Thursday 9:00am to 10:00am, Friday 10am to noon

Required Supplies: Computer capable of using Solidworks and the 2019-2020 student version of Solidworks

Course Goals and Objectives:

Apply Computer Aided Design and Drafting class lessons and outside experience to an in class project in a team environment. There will be 2 to 4 members on each team. This capstone project allows you to use and share your life experiences and interests with other team members to solve and document a design problem.

Students who may need accommodations due to documented disabilities, or who have medical information which the instructor should know, or who need special arrangements in an emergency, should speak with the instructor during the first week of class. If you believe you may need accommodations, but are not yet registered with CFAR, please go to <http://linnbenton.edu/cfar> for steps on how to apply for services or call 541-917-4789.
