

THINGS & stuff

January 5, 1969

Editor, Peggy Toftdahl

WINTER TERM.....WELCOME!

Things are really hustling at the Office of Student Personnel Services....
and classes are getting underway today....
and campaign activity for the bond election is building....
and the holidays are over....
and so are vacations!
Welcome back. LBCC has a lot to accomplish Winter Term!

CAMPAIGN SLOGAN CONTEST

If you have an idea for a great slogan, jot it down and put it in Peg's mailbox! Take this opportunity to enter a really worthwhile and unique contest, and help LBCC too. (It's unique because this contest offers no prize.....)

REMEMBER THE SPEAKER'S BUREAU? A few enthusiastically volunteered to be available to speak at service clubs, etc. To be successful and do the job during the campaign, the speaker's bureau needs you. Dial 55 and say "OK".

PARKING TICKETS are available for anyone parking improperly at either the Classroom Building or the Park Campus area! Dean Archibald explained that "only parallel parking is allowed on these streets ... according to Albany City Ordinances!"

PLEASE REMIND students that smoking is not allowed in the hallways or classrooms at the Classroom Building. Also....be careful at the corner of 4th and Jackson! It seems the "stop" signs are often overlooked!

Just gossip.....

JUDI PLANK is sporting sparkles on her left hand. Congratulations!!!
BILL MAIER was supposed to lose weight while he "batches" until the 18th. (Ask him how much he's gained by eating his own cooking!)

BOB MILLER is no longer expecting! Sean Erick was born December 26 and weighed in at 8 lbs. 5½ ozs. Bob says he's a beautiful boy...and even slept most of the night last night!

GWEN HURLEY is only "semi-retiring". She plans to care for the children of other working mothers in her spacious older home. Need a sitter?

DIXIE is looking for a home to rent here in Albany....two bedroom.

ERICKA ORCHARD wants to purchase a carpet for her living room.....

DORIS HALL has two used boys bikes for sale....make an offer!

LOUISE has a beautiful 30" Kenmore range for sale with all the trimmings... and, PEG would like to sell her '65 Ford Galaxie...wide ovals & all!

LBCC STUDENTS may now attend OSU "home" basketball games...no charge!
Bob reports that thanks to special arrangements, tickets are available either at the gate or at the OSU Athletic Department.

JANUARY 8th is the next LBCC Board of Education meeting...College Center.
