REGISTRATION INFORMATION FOR STUDENTS TAKING 8 OR MORE CREDIT HOURS

Pre-Registration for New and Continuing Students will be from November 25 to January 3 or during the first week of classes by paying an additional \$1.00 per day late fee. Enrolling the second week requires the instructor's signature and the late fee.

Steps to be taken BEFORE you stand in line to register:

1. Admission.

Students planning to enroll for 8 or more credit hours

File an Application for Admission

File transcripts from previous schools attended

Make arrangements at the Guidance Center (CC-110) to take the Comparative Guidance and Placement Test (CGP)

2. Advising. New students enrolling for 8 or more credits will receive advising help during the advising/registration period planned for new students. New students who have completed the admission process will be assigned a date for advising between November 25 and January 3 by the Admission office. Continuing students may plan their own programs and register without staff approval. If assistance is necessary, contact a faculty advisor or the Guidance Center.

3. Program Approval. All new students must secure counselor approval (CC-110) of their course program.

4. Graduation Requirements. Students expecting to receive an Associate Degree or departmental certificate from LBCC during the 74/75 school year must complete the application for graduation form in the registration packet.

5. Registration. Pick up a long-form registration packet in the registration area. Check for posted lists of filled, cancelled, added, or changed classes. Fully complete each form in ballpoint pen. Make sure all copies are legible.

6. Tuition and Fees. Full tuition payment is usually necessary at the time of registration. Insurance premiums should also be paid if insurance is desired.

Students sponsored by a special program or attending under a grant or scholarship must pick up an authorization at the Financial Aids Office BEFORE REGISTERING.

The Deferred Payment Plan may be used by full-time students (12 or more credit hours). One third of the tuition is paid at the time of registration and the balance by the end of the fifth week of class. Application for this plan must be made at the Financial Aids Office (CC-107) BEFORE REGISTERING, and a Deferred Payment Agreement must be presented at the time of registration.

7. Veteran's Benefits and Special Programs. Students receiving benefits (G.I. Bill, Veteran's Vocational Rehabilitation, Veteran's Dependent, or Social Security) have the responsibility of starting the necessary paper work each term in order to receive these benefits. Complete the form in the registration packet and carefully follow the printed instructions. Contact the Veteran's Clerk in the Veteran's Office (CC-123) if you have questions.

REGISTRATION INFORMATION FOR STUDENTS TAKING 7 OR LESS CREDIT HOURS

Register at the Registration Office, College Center, between November 25 and January 3.

Register during the first three weeks of classes.

Enrolling in day classes the second week requires the instructor's written permission.

Enrolling the third week in any class requires the instructor's written permission and a \$1 late fee.

Steps to be taken BEFORE you stand in line to register:

1. Admission. There are no admission requirements for students taking 7 or fewer credit hours.
2. Program Approval. Counselor approval is not required. However, counselors are available to assist students if desired.
3. Registration. Pick up a short-form registration packet in the registration area. Check for posted lists of filled, cancelled, added, or changed classes. Fully complete each form in ballpoint pen. Make sure all copies are legible.
4. Tuition and Fees. Full tuition must be paid at the time of registration.
5. Veteran's Benefits and Special Programs. Students receiving benefits (G.I. Bill, Veteran's Vocational Rehabilitation, Veteran's Dependent, or Social Security) have the responsibility of starting the necessary paper work each term in order to receive these benefits. Complete the form in the registration packet and carefully follow the printed instructions. Contact the Veteran's Clerk in the Veteran's Office CC 123 if you have any questions.

ADMISSIONS

Students planning to enroll for 8 or more credit hours must file an Application for Admission with the Admissions Office. They must also file an official copy of their high school or college transcripts. Securing these transcripts is the student's responsibility. Students planning to enroll for 8 or more hours must also make arrangements at the Guidance Center (CC-110) to take the Comparative Guidance and Placement Test (CGP).

Most Vocational and Occupational programs Have special admission procedures because of the large number of applicants. In general, acceptance is determined by date of application. Admission to health occupation programs and Wastewater Technology have additional special requirements.

VOCATIONAL AND OCCUPATIONAL PROGRAMS WITH SPECIAL ADMISSION PROCEDURES

Auto Body Repair	Electricity/Electronics
Automotive Technology	Refrigeration/Air Conditioning
Drafting Technology majors	Small Engine Recreation Vehicle Repair
Machine Technology	Wood Technology
Welding Technology majors	
Associate Degree Nursing	
Nursing Assistant	
Dental Assistant	
Wastewater Technology	

VOCATIONAL AND OCCUPATIONAL PROGRAMS NOT REQUIRING SPECIAL ADMISSION PROCEDURES

(This list effective for current term only and may change for subsequent terms)

Business
Food Services
Graphics Arts
Metallurgy
Welding classes held evenings and Saturdays
Agriculture
Human Services

GUIDANCE AND COUNSELING SERVICES

The following students are required to have counselor approval of their programs:

1. new students who are registering for 8 or more credit hours
2. students being sponsored by a special program, such as MDTA, DVR, WIN, etc.
3. students on probation or in danger of failure
4. students changing their major

In addition, any student who wishes counseling assistance in planning his program is encouraged to contact a faculty advisor or the Guidance Center for an appointment.

FINANCIAL AIDS

Students needing financial assistance (grant, loan, or campus employment) should contact the Financial Aids Office as soon as possible. Applicants for financial aids are judged on (1) need, (2) date of application, and (3) aptitude based on interest and past performance.

GRADUATION

Students expecting to receive an Associate Degree or departmental certificate from LBCC during the 74/75 school year must complete the application for graduation in the registration packet.

NON-ATTENDANCE

Students who are unable to attend a class regularly the first two weeks of the quarter may jeopardize their enrollment in that class. If you must miss a class during this time, you should contact the instructor immediately. During this period the College is making adjustments in the class registrations, and other students are waiting to enroll.

PASS GRADING

Certain courses listed in the schedule have an "OPT" designation in the PNP column. Each student in that class has the option of taking the course for the usual A, B, C, D or F grade or taking it on a pass/no pass basis. On these courses only, the student may request a P/NP Option Form from the instructor any time during the quarter up to the last day of regular classes. Once the P/NP has been elected, the student may not change back to regular grading without the permission of the instructor. If uncertain about requesting the P/NP, the student should wait until the last day to make a decision.

Courses listed in the schedule with "PNP" in that column are those where only pass or no pass grades are issued.

The maximum number of "P" credits allowed toward an LBCC degree will be 16 hours, not including those with mandatory pass (P) grading. Students should consult with a counselor before deciding to choose the pass (P) grade. It is not advisable for a student to choose the "P" grade in a course that is considered a major course in his field of study. Students planning to transfer to a four-year institution should check that institution's requirements regarding the "P".

ADDING CLASSES

To add a class, an add slip must be presented at the Registration Office and any additional tuition paid. Students taking 8 or more credit hours may add classes through the first week on a space-available basis. Students carrying a total of 7 or less credit hours may add classes during the first two weeks on a space-available basis. However, adding classes during the second week requires written permission of the instructor. There is no add fee for the first change of schedule involving one or more added classes. The charge for each additional change is \$2.

DROPPING CLASSES

To officially drop a class requires presentation of a drop slip at the Registration Office. Students who withdraw without giving written notice to the Registration Office will forfeit all claims to refund of tuition and will remain responsible for their grade in the class.

REFUNDS

To receive a refund, students must submit a drop slip to the Registration Office within the first five weeks of the term. Students taking 8 or more credit hours must have counselor approval of their drop slips.

The amount of refund:

- Official withdrawal by a student carrying 8 or more credits = full refund less \$15.
- Official withdrawal by a student carrying 7 or less credits = full refund less \$5.
- Reduction of credit load = difference in tuition amounts (to the \$16 minimum charge).
- Classes cancelled by the college = full refund or re-enrollment in another class providing student notifies registration office.

INSURANCE

Hospitalization and accident insurance is available to all students at the time of registration. Brochures giving details of this coverage are available in the Registration Office. Premium must be paid at time of registration.

JOB PLACEMENT

Part-time and career-job-placement assistance is available to students of LBCC. Students needing employment should contact the Placement Officer in the Financial Aids Office.

LEARNING RESOURCE CENTER

The Learning Resource Center is a multi-purpose facility meeting the instructional need of faculty and the learning needs of students at LBCC. The LRC includes the college library which has approximately 25,000 volumes. It is also the headquarters for campus Media Services which encompasses films, filmstrips, audio-tape programming, television and other forms of educational media. Reading and mathematics labs are operated as portions of the LRC. The graphics department of the LRC offers printing, photography, and art design services to the campus. The staff of the LRC are responsible for assisting students in locating and utilizing available materials.

GOLDEN AGE CLUB

Senior citizens (65 years and older) may wish to acquire an LBCC Golden Age Card. The bearer of the card is granted tuition and fee waivers to most college classes and all college activities. The cards are available in the Registration Office.
