THE TRAVELING ROADRUNNER!

He may not go "beep beep" but he'll sure be making tracks! He leaves at 6:45 Tuesday morning for a month studying problems and trends in secondary and higher education in seven countries in three contrasting regions of the world as a participant in a seminar supported by Phi Delta Kappa and the Comparative Education Society.

In the seven countries this Roadrunner will visit, they are bound to see that he stands out in the crowd...even if he doesn't beep often. (And, this is a crowd of other national educational leaders from thirty-six states!) Bon Voyage. And, please put in a "beep" for us!!

DEAN ARCHIBALD'S TIMELY TID-BITS!!

On Monday, March 2, LBCC students will have their first opportunity to begin spring 1970 registration. Registration schedule processing and fees payment will begin on Monday, March 9. The schedule of classes will be in The Commuter and is also being printed at this time.

A PART OF MACK IS GONE

When someone takes (steals) a work of art on display, he takes a bit of the artist too. Please. If anyone has any knowledge about the whereabouts of one of Mack's paintings that disappeared from the art display at the Roundhouse please inform John Mack right away. There is also a piece of his sculpture missing.....

A NOTE OF THANKS....from Shirley Call to the Faculty Association for the beautiful red tulips sent to her while she was in the hospital! This is a belated note, but she sent it early. (Guess who's fault.....sorry)
