Jim,

This email is to formalize that which I have already conveyed to you in person. As a result of changes in the workload and schedule of my day job, I regrettably must resign from my position on the LBCC Board. I have enjoyed my tenure on the Board and am very proud of what LBCC has accomplished under my watch. I will continue to be a champion of LBCC and cheer from the sidelines as this great institution continues to be a leader and innovator in education.

Thanks for having me. It was a great run.

Barry
