Participation 10%	70 - 79% C
Conduct 10%	60 - 69% D
Total 100%	-59% F

Disabilities Services and Emergency Planning

Students who may need accommodations due to documented disabilities, which have medical information which the instructor should know, or who need special arrangements in an emergency, should speak with the instructor during the first week of class. If you have not accessed services and think you may need them, please contact Disability Services.

Department Policy

Use of cell phones and laptop computers during class.

It is a policy of the department to restrict the use of cell phones and laptop computers during lectures and laboratory activities. At the beginning of each class turn cell phones and laptop computers off. Cell phones are not to be used as calculators as a part of classroom activities. For classroom activities obtain a calculator for use in class and for exams.
