REGISTRATION INFORMATION

Students enrolling for 8 or more credit hours may either pre-register between February 26 and March 23, or may register during the first week of classes with a late fee of \$1 per day.

Students enrolling for 7 or fewer credit hours may either pre-register between February 26 and March 23, or may register during the first three weeks of classes. A \$1 late fee is charged for registration during the third week. (Students enrolling in day classes during the second or third week must have the instructor's written permission.)

Students enrolling for evening credit classes held outside of Albany may register in class during the first or second week on a space-available basis. Those not registered by the end of the second week may register at the LBCC Registration Office, the Benton Center Office, or the East Linn Center Office during the third week of classes (no later than April 13) with payment of a \$1 late fee.

These are the steps to be taken BEFORE you stand in line to register:

Admission. Complete all admission requirements (see ADMISSION instructions, page 21). Students registering for vocational programs requiring special admission procedure (see page 21) must have a special admission card to present at time of registration.

Program Approval. Secure counselor approval of your program where required (see COUNSELING instructions, page 21).

Graduation and Program Requirements. Students expecting to receive an Associate Degree or departmental certificate from LBCC in June 1973 must complete a "Request to Graduate" form before registration for Spring term. This form is included in the registration packet. Be sure to complete a Graduation Checklist (available in Counseling Center) NOW if you have not as yet done so.

Registration. Pick up a registration packet in the registration area and fully complete each form in ballpoint pen. Make sure all copies are legible. Check the registration hallway for posted lists of filled, cancelled, added or corrected classes.

Tuition and Fees. Full tuition payment must be made at the time of registration, plus insurance premium if insurance is desired. Students sponsored by one of the special programs or attending under a grant or scholarship must pick up an authorization at the Financial Aids Office PRIOR TO REGISTERING. There is a Deferred Payment plan available to full-time students (12 or more credit hours) which allows them to pay 1/3 of their tuition at the time of registration and the balance by the end of the fifth week of classes. However, application for a Deferred Payment must be made at the Financial Aids Office PRIOR TO REGISTERING, and a Deferred Payment Agreement presented at the time of registration.

Veteran's Benefits and Special Programs. Students receiving benefits under the G.I. Bill, Veteran's Vocational Rehabilitation, Veteran's Dependent, or Social Security have the responsibility of initiating the necessary paper work each term in order to receive these benefits. Be sure to complete the form in the registration packet and carefully follow the printed instructions. Contact the Veteran's Clerk in the Financial Aids Office if you have any questions.

Prior Debts and Obligations. If you have an outstanding debt with the college from a previous quarter, you must contact the Financial Aids Office to discuss payment prior to registration.

SAMPLE REGISTRATION

LINN-BENTON COMMUNITY COLLEGE, ALBANY, ORE. **REGISTRATION FORM**

SCHEDULE KEY

- ① PREREQUISITE - P (See catalog for prerequisite)
- ② TERM LINE NUMBER - Identifies individual sections
Boxed numbers **6250** indicate course appears elsewhere in schedule
- ③ CREDITS given for course
- ④ DAYS OF CLASS MEETINGS: M-Monday, T-Tuesday, W-Wednesday, H-Thursday, F-Friday
- ⑤ STARTING TIME of class - All times shown are daytime unless next column shows "N"
- ⑥ NIGHT CLASS - N
- ⑦ DURATION - Length in hours of each class session
- ⑧ LOCATION and ROOM - See location key above and campus map inside front cover
- ⑨ PASS/NO PASS - PNP indicates class is given only on pass/no pass basis
OPT indicates student has the option of pass/no pass or letter grading - see Pass/No Pass instructions on page 22
- ⑩ TUITION - Tuition rates for credit classes are shown on page 3

SUMMERTIME IS JUST AROUND THE CORNER

IF YOU HAVE NOT CONSIDERED
SUMMER TERM,
CONSIDER THESE FACTS:

Complete your program sooner
with summer term classes

Take courses you haven't had
time for

Some 10 week classes can be
completed in three weeks

Take a full sequence (3 terms) of
Western Civilization
Biology or
Sociology
in 10 weeks

Summer term ends Aug. 22 -
you still have a month for
vacation before fall term

All classrooms are air
conditioned (except
some shops)

REGISTRATION BEGINS MAY 21st

ADMISSIONS

Students who register for 8 or more credit hours must have filed with the Admissions Office an Application for Admission and an official copy of their high school transcript or official copies of all college work. It is the student's responsibility to secure transcripts for admission purposes.

Students enrolling for 7 or fewer credit hours are not required to file a formal application or provide transcripts until 30 credit hours have been accumulated.

High school age students should contact the Counseling Center for special admission rules.

Most Vocational and Occupational programs have special admission procedures because of the large number of applications. In general, acceptance is determined by date of application. In the Associate Degree Nursing, Nursing Assistant and Dental Assistant programs applicants are reviewed by special committees.

VOCATIONAL AND OCCUPATIONAL PROGRAMS WITH SPECIAL ADMISSION PROCEDURES (Must have acceptance card from Admissions Office in order to register)

Auto Body Repair
Automotive Technology
Drafting Technology majors
Environmental Technology
Welding Technology majors
Associate Degree Nursing
Nursing Assistant
Dental Assistant
Wastewater Technology

VOCATIONAL AND OCCUPATIONAL PROGRAMS NOT REQUIRING SPECIAL ADMISSION PROCEDURES (This list effective for Winter Term 1973 only and may change for subsequent terms)

Business
Machine Tools
Metallurgy
Welding classes held evenings and Saturdays
Agriculture
Child Care

COUNSELING

Pre-registration counseling begins February 26. The following students are required to have counselor approval of their programs:

1. students new in Spring Term who are registering for 8 or more credit hours
2. students being sponsored by a special program, such as MDTA, DVR, WIN, etc.
3. students on probation or in danger of failure
4. students changing their major or those who have questions regarding their major
5. students enrolling for courses which require counselor approval as specified in the schedule of classes

In addition, any student who wishes counseling assistance in planning his program is encouraged to contact the Counseling Center for an appointment.

FINANCIAL AIDS

Students needing financial assistance in the form of a grant, loan or campus employment should contact the Financial Aids Office as soon as possible. Applicants for financial aids are judged on (1) financial need, (2) date of application, and (3) aptitude based on interest and past performance.

GRADUATION

Students eligible to receive a degree or certificate from LBCC in June of 1973 must file a "Request to Graduate" (form included in registration packet) at the time of Spring registration. If a Graduation Checklist has not yet been filed, this should be completed early in the term. Checklists are available in the Registration Office and must be approved by a counselor.

NON-ATTENDANCE

Students who are unable to attend classes any time during the first two weeks of the quarter may jeopardize their enrollment in that class. If you are forced to miss a class during this time you should contact the instructor immediately. During this period the College is making adjustments in the class registrations and other students are waiting to enroll.

PASS/NO PASS OPTION

Certain courses listed in the schedule have an "OPT" designation in the PNP column, indicating that each student in that class has the option of taking the course for the usual A, B, C, D or F grade or taking it on a pass/no pass basis. On these courses only, the student may request a P/NP Option Form from the instructor any time during the quarter up to the last day of regular classes before finals week. Once the P/NP has been elected, the student may not change back to regular grading without the permission of the instructor. If uncertain about requesting the P/NP, the student should wait until the last day to make a decision.

Courses listed in the schedule with "PNP" in that column are those where only pass or no pass grades are issued.

Students should check page 7 of the LBCC catalog for more information regarding the pass/no pass option.

ADDS AND DROPS

To add a class after the initial registration has been completed, an Add slip must be presented at the Registration counter and any additional tuition paid. Students carrying a total of 8 or more credit hours may add classes through the first week on a space-available basis. Students carrying a total of 7 or less credit hours may add classes during the first two weeks on a space-available basis. However, added classes during the second week require written permission of the instructor.

To officially drop a class requires presentation of a Drop slip at the Registration counter. Students who withdraw without giving written notice to the Registration Office will forfeit all claims to refund of tuition and will remain responsible for their grade in the class.

REFUNDS

In order to be eligible for tuition refund, a credit student must submit to the Registration Office a properly completed drop slip within the first five weeks of the term. Students carrying 8 or more credit hours must have counselor approval of their drop slips. Withdrawals after the fifth week will receive no refund.

A student carrying 8 or more credit hours and officially withdrawing from school by the end of the fifth week will receive a full refund of tuition less \$15. A student with 7 or fewer credit hours will receive a full refund less \$5.

Students officially reducing their credit load to a lower tuition level during the first five weeks of the term will receive a refund of the difference in tuition amounts, to the \$15 minimum charge.

Classes cancelled by the college entitle the student to a full refund upon request or to re-enrollment in another class. It is the student's responsibility to notify the Registration Office if he wishes to enroll in another class or to request a refund.

INSURANCE

Hospitalization and accident insurance is available to all students, full- or part-time, at the time of registration. Brochures giving details of this coverage are available in the Registration Office, and premium must be paid at time of registration. This insurance provides broad coverage at a minimum cost. It is optional for the student and is not to be confused with Liability or other insurance required of students in some of the vocational programs.

JOB PLACEMENT

Part-time and career job placement assistance is available to students of LBCC. Students needing work should contact the Placement Officer in the Financial Aids Office.

LEARNING RESOURCE CENTER

The Learning Resource Center is a multi-purpose facility meeting the instructional needs of faculty and the learning needs of students at LBCC. The LRC includes the college library which has approximately 20,000 volumes, and is headquarters for campus Media Services which encompasses films, filmstrips, audio-tape programming, television and other forms of educational media. A reading lab is operated as a portion of the LRC, while the mathematics lab is housed in A-10. The graphics department of the LRC offers printing, photography, and art design services to the campus. The staff of the LRC are responsible for assisting the students of LBCC in locating and utilizing materials to use in their educational programs.

GOLDEN AGE CLUB

Senior citizens (65 years and older) may wish to acquire an LBCC Golden Age Card. The bearer of the card is granted tuition and fee waivers to most college classes and all college activities. The cards are available in the Registration Office.
