Dear Ms. Lane:

As requested, on March 8, 2018, the U.S. Department of Homeland Security's Federal Emergency Management Agency (FEMA), Region 10, completed a pre-adoption review of the Linn-Benton Community College Hazard Mitigation Plan. This letter serves as Region 10's commitment to approve the plan upon receiving documentation of its adoption by the community college. The plan successfully contains the required criteria, excluding the adoption, for hazard mitigation plans, as outlined in Code of Federal Regulation Title 44 Part 201.

Once FEMA approves the plan, the community college is eligible for mitigation project grants.

Please contact our Regional Mitigation Planning Program Manager, Brett Holt, at (425) 487-4553 with any questions.

Sincerely,

3/8/2018
