WELCOME

I'm glad you chose to take this course. I sincerely hope you find it enlightening and challenging. Yes there is work involved, but I think you're going to find it fun as well. Our world is "shrinking" as we do more business, politics, and war on a global scale. One of the best ways to navigate this world is by understanding each cultures' belief systems. This type of understanding helps promote tolerance and peace rather than conflict. I'm here to help and guide you in the process. Welcome!

STUDENT CONDUCT

There will be no tolerance for jokes or slurs regarding race, ethnicity, religion, gender, sexual orientation, or physical/mental abilities. It is crucial to maintain a respectful environment while exploring different religious traditions and beliefs. Any attempt to undermine this environment will not be tolerated and the student will be removed from the class. To talk and learn together, people must feel free to share and explore ideas in a safe and open environment. If I interpret your work as being disrespectful or bordering on hate speech, your work will earn zero credit. Disagreement is acceptable and even encouraged, but it must be done in an intelligent, considerate, respectful, and reasoned manner.

TECHNOLOGY-FREE ZONE

Our classroom is a technology-free zone. You are encouraged to use technology outside of the classroom for research and study. However, in the classroom we want to engage the texts and each other in discussion. Technology of any sort (laptops, phones, texting, iPods, iPads, etc.) will not be allowed in this classroom.

ACADEMIC HONESTY

Academic honesty is an indispensable value as students acquire knowledge and develop skills in college. Students are expected to practice academic honesty by not cheating, plagiarizing, or misrepresenting their coursework in any way. Students are ultimately responsible for understanding and avoiding academic dishonesty whether such incidences are *intentional or unintentional*. Consequences for cheating, plagiarism or any other form of academic dishonesty may include receiving a score of zero on an individual assignment or failing the class. If you are unsure of any of this, please come talk to me!

COLLEGE POLICIES

COVID-19 requirements for all students and faculty: Linn-Benton Community College has established rules and policies to make the return to the classroom as safe as possible. It is required for everyone to follow all of the campus rules and policies. To participate in this class, LBCC requires all students to comply with the following:

- MASKS REQUIRED AT ALL TIMES IN CLASSROOM. Wear a mask or face covering indoors at all times. Your mask or face covering must be properly worn (fully covering nose and mouth and tight-fitting). Mesh masks, face shields, or face covering that incorporates a valve designed to facilitate easy exhalation are not acceptable.
- If you have a medical condition or a disability that prevents you from wearing a mask or cloth face covering, you must obtain an accommodation from CFAR (Center for Accessibility Resources) to be exempt from this requirement.
- State guidelines do not limit class size. Physical distancing accommodations can be made upon request and cleaning supplies are also available for personal use.
- FREE TESTING for Covid-19 will be available for students and employees at our Albany Main Campus (located at the Campus Bookstore's book-buy-back window).

Administrative Drop: Students who do not attend class during the first week will be automatically dropped by the instructor from the course. This is usually to make room for students on the wait list (but will be done regardless of a waitlist). If you missed class in the first week due to an emergency, contact your instructor as soon as possible to explain your situation and lessen the chance of being dropped.

Waitlist Policy: If you are on the waitlist and wish to take the course, you must attend class the first week and let the instructor know your intention to take the class.

Drop/Withdrawal Policy: Students are responsible for knowing the last day to “Drop” the course for a full refund (usually right after the first week). Also, if you are struggling in the class and not sure you will be able to pass it, be aware of the last day to officially “Withdraw” from the course so that only a “W” shows on your transcripts (usually in week three). A “W” doesn’t affect your GPA like an “F” does. See the academic calendar for these dates <https://ems.linnbenton.edu/MasterCalendar/>.

Incomplete Grades: If something keeps you from successfully finishing the course towards the end of the term, you may be eligible for an “Incomplete” grade. This situation gives a student additional time to complete the remaining work. You can qualify for an Incomplete grade, if you have finished 80% of the class work and you have a good academic standing in the class. Should you receive an “Incomplete,” all course work must be finished by the agreed upon date in the contract. Please contact the instructor prior to the term’s end with appropriate documentation for requesting an “Incomplete.”

Accessibility Resources: Students who may need accommodations due to documented disabilities, or who have medical information which the instructor should know, or who need special arrangements in an emergency, should speak with the instructor during the first week of class. If you believe you may need accommodations, but are not yet registered with CFAR, please go to <http://linnbenton.edu/cfar> for steps on how to apply for services or call 541-917-4789.
