DR. ADAMS INVITES PARTICIPATION- "COMMITTEE OF 80" - If you have an active interest in what the city of Albany should strive to "be like" in the future, Dr. Adams would like to take your comments and suggestions with him to these meetings.

WATCH YOUR STEP! Several have tumbled either up or down the gaudous cement steps about the campus, and hand rails are being installed as quickly as possible. Do be careful instead of a casualty!

ABUNDANT FOOD AIDE NEEDED! A volunteer to organize people working in an educational program designed to assist abundant food recipients in the preparation of these foods is needed by the Adult Education Department. Anyone interested in this position should contact Barbara Dixon.

SEVERAL STUDENT PERSONNEL STAFF MEMBERS, namely Lee Archibald, Bob Talbot, Blair Osterlund and Bob Miller, will be attending the Northwest College Personnel Association meeting in Gearhart October 18, 19, 20. (Bob Talbot, a past officer, is a candidate for Secretary of the Assn.) This organization, a combination of two year and four year colleges, is a vital link between these institutions.

MID-TERM EXAMS - the week of November 2-6
Deficiency notes due the following Wednesday for circulation to students.

HIGH SCHOOL COUNSELORS VISITING TODAY- LBCC's Counseling Staff is hosting counselors today from high schools throughout the area. A tour will be conducted between 3 and 5 p.m.

Lee Archibald attended and October 9 meeting of the Council of Oregon High School and College Relations at OSU, and reports that the Council is studying the possibility of a traveling occupational-vocational specialist to visit high schools and gather information for all community colleges. A team now visits these schools.

Under the direction of Bob Talbot, LBCC Counselors visit each high school in the area, presenting slides, brochures, and other information. Plans are now underway to produce a timely and up-to-date slide presentation for use at high schools and other community events telling the LBCC story. It should be ready for use by the end of November.

LOST - 11 small study tables disappeared during the move. These are used for testing purposes in the Counseling Center....and are needed!

COFFEE QUESTIONS- Who pays? Secretaries and other staff members from the area of administration, business offices, adult education, are now bringing their own coffee due to misunderstandings about who foots the bill! This "pot" has always been available to visitors, staff meetings, board meetings, and conferences at no charge, and the word is that "it's time for a change". Anyone with suggestions might send them to the Office of Public Information-- they will be forwarded!
