Office hours: MW 1pm - 1:50

TR 10:30 – 11am

This course covers topics dealing with financing a business, analysis of financial statements, working capital management, short and long term financial planning, budgeting and control. Prerequisite: BA112 Practical Accounting II, or BA211 Principles of Accounting, Financial.

Text and class requirements:

Principles of Managerial Finance, Brief, 6th Edition, Gitman/Zutter, 2012.

ISBN 978-0-13-611945-6

Business Calculator-----Texas Instruments, BAII Plus-----Bring to every class session.

Red pen for homework correction

Weekly homework will be assigned from the textbook as well as a Final Exam at the end of the term. See course outline.

Grading: Final course grades will be determined as follows:

2 exams----- 200 points

Homework----- 350 points (7 X 50pts)

550 points total

90-100% = A

80-89% = B

70-79% = C

65-69% = D

below 65% = F

I cannot disclose exam or course grades via phone or email. Please do not ask. If at any time during the term you would like to know your course standings, please see me in person.

Attendance at every class session is strongly suggested. If you find that you must miss a class session, it is your responsibility to obtain class notes and assignments from another student. On days in which homework is due, we will have class discussions while reviewing the homework answers. These discussions will be as profitable to you as will the chapter lectures themselves. **DUE dates are listed on the schedule.** You may turn in assignments early, or if necessary, submit them via email in a Word document by class time, but **NO LATE ASSIGNMENTS WILL BE ACCEPTED**-please do not ask.

LBCC Comprehensive Statement of Nondiscrimination

LBCC prohibits unlawful discrimination based on race, color, religion, ethnicity, use of native language, national origin, sex, sexual orientation, marital status, disability, veteran status, age, or any other status protected under applicable federal, state, or local laws.
