

## Board Report

For the Student Leadership, we have been working close to the Honor Society and creating an event together. In the past, we have now worked with the PTK to host a Halloween party for the campus. The party was a success and brought people together through fun festivities and food. Aside from the event we also received a chance for the team to go to UCC and interact with the members of the Oregon Student Community College Association or OSCCA. Our visit to UCC was filled with eventful learning opportunity it was also a great way to bond with the team and a great way to network with other students from different community colleges. The SLC has also been working on incorporating more student and LBCC involvement by trying to create a filter for LBCC. The purpose of this is to add more to how a student can be involved and make LBCC a more modern place. We want to implement this activity soon by having the student create a geographical filter for the LBCC campus, once they create the filter we will leave it to the student on LBLIVE to vote for their favorite filter. We have also worked with The College Council to share the student's voice for the Health Occupation Center in the Lebanon Center, we will be creating a survey for students to fill out and present the results to the Council.

For the LBCC campus, we have been going out and asking the student to be a part of this year's Thanksgiving food drive. We want students to know that there is always time for volunteer opportunities to help the campus community. There will be food boxing this coming Saturday from 8:00 am to 4:00 pm and some of the SLC members will be there to help the boxing process. The SLC team will also be traveling down to Eugene to attend an Oregon Students of Color Coalition Conference. We will also be preparing to host our Study Jam for this year in a couple of weeks. For this term, we decided to go with two separate dates in order to help the student start preparing for final and how to study for finals. We also make sure student know that Winter Term Registration will open on the 20<sup>th</sup> of November. These are the recent updates of the SLC and LBCC.
