PRE-REGISTRATION COUNSELING BEGAN TODAY AT PARK CAMPUS!

Bob Talbott was overheard remarking that he had a full slate of counseling appointments....so pre-registration counseling in the new facilities is getting off to a flying start! Individuals registering this week will be given exclusive opportunity to register on December 8, according to Dean Archibald. (Appointments are available through the Counseling Center Secretary.)

The printed class schedules will be ready at noon tomorrow.

NOTE TO DEAN ARCHIBALD: Recognize your plant? It's speaking to you.... (remember that plants talk) and begging for a drink. Anyway, welcome to the front page of Things and Stuff!

ARE YOU REGISTERED TO VOTE?

Don't forget! If you've moved recently or are a new resident, stop by the County Court House or the Albany Chamber of Commerce & register.

BANQUET THURSDAY EVENING!!

Tickets are still available for LBCC's First Annual Public Affairs Banquet....either from Mr. Jordan or at the door! Social Hour starts at 6:30 with dinner at 7:15 at the T & R Restaurant. This promises to be an outstanding event with a star-spangled cast of speakers!
